STEP ONE

STEP TWO

STEP THREE

INITIAL BOOKING FEE AND PLANNING

This step is the backbone of our photoshoot together.

We discuss:

- Date/Time
- What the shoot concept is.
- How we accomplish the shoot. IE style/props/etc.
- Hair/Makeup options
- Location
- **Pre-payment of \$150.** *This holds your shoot time. This is only for the shoot time.*

THE SHOOT

This is the easy step. We now just do what was discussed in step one.

CHOOSING THE FINALS AND MEDIUMS.

Meeting back at the studio, we go over all of the final images. From there you decide what you want to do with them.

Here are some options:

- **Social media quality images.**

These are great for posting to Facebook/IG/ETC.

- **Prints**

Prints are the number one item purchased for walls in homes & office.

- **Photo books**

Great for showcasing the images together in a premium way.

- **View Reels, and more.**
